Dear all,

I am László Molnárfi, Chairperson of Students 4 Change (S4C), which is an independent, open-forum, democratic alliance of progressive students from Trinity College Dublin. We stand for openness and transparency within College, and for public education for all.

Please find attached our [recent press release](#) with the Graduate Students Union (GSU), calling upon Trinity College Dublin (TCD) to provide adequate mitigation measures for students during the assessment period, and to reconsider their position of holding in-person exams this year in light of surging Covid-19 cases, and to opt for [holistic, open-book assessments](#). Students are under pressure and as such we have also called upon the Irish Universities Association (IUA) to reconsider the decision for Universities to hold in-person exams in light of current high COVID

Best Regards,

László Molnárfi

Students 4 Change
