Dear All,

This is to let you know that we at Students 4 Change, a Trinity College Dublin student organization, have called for a protest on-campus for this Wednesday at 5pm, in front of the Dining Hall, to protest Trinity's botched re-opening plan. Multiple organizations will be taking part. We have called this event to protest against the lack of in-person teaching and to demand for a refund of our tuition fees.

Best Regards,

László Molnárfi
