

Timestamp	If you have recently queried the availability of College Counselling, how long was the waiting time? Or, if you are still waiting, how long has it been?	If you have recently queried the availability of College's Health Service, how long was the waiting time? Or, if you are still waiting, how long has it been?
24/02/2022 18:22:32		
24/02/2022 18:31:39	I waited for 4 weeks	They didn't answer my calls to make an appointment for about two days and they told me I could come in in 3 months to get a prescription for a chest infection
24/02/2022 18:32:47	2 months	They couldn't get me an appointment for 2 weeks.
24/02/2022 18:36:49	I have struggled with my mental health for years and only now am seeking help. I sent an email on February 14th and the next appointment that had available for me was March 14th, one month later.	I need to get my asthma medication from College Health as private GP services are too expensive for me. I requested an appointment and eventually spoke to a doctor over the phone (not even in person) about 3-4 weeks later.
24/02/2022 18:42:50	I was offered a place within a couple of days because there was a cancellation	
24/02/2022 18:43:50	Asked for appointment February 10th. Appointment March 8th	
24/02/2022 19:18:27	I haven't queried recently but last year I had to wait about 5 weeks for an appointment.	
24/02/2022 19:54:37	2 months 10 days	Hard to even get a response from them on the phone
24/02/2022 20:18:25	6 weeks for initial consultation	3 hours
24/02/2022 21:03:40	One month	
24/02/2022 21:13:46		
25/02/2022 15:42:49		3 weeks unless it was an emergency
25/02/2022 17:25:07	Yes, it took about 9 days to receive an appointment	I enquired about assistance to gain access to antidepressants with a letter from my psychologist, I requested an appointment in the middle of December, and I was only seen recently
